

Song Lyrics to, "Harmony"

TELL ME THE STORY OF JESUS

Ooh, ooh, ooh, ooh, ooh, ooh, I want to hear it again

Tell me the story of Jesus,
Write on my heart every word;
Tell me the story most precious,
Sweetest that ever was heard.
Tell how the angels in chorus,
Sang as they welcomed His birth,
"Glory to God in the highest!
Peace and good tidings to earth."

Refrain:

Tell me the story of Jesus,
Write on my heart every word;
Tell me the story most precious,
Sweetest that ever was heard.

Tell of the cross where they nailed Him,
Writhing in anguish and pain;
Tell of the grave where they laid Him,
Tell how He liveth again.

Love in that story so tender,
Clearer than ever I see;
Stay, let me weep while you whisper,
"Love paid the ransom for me."

Repeat Refrain

Tell me the story (tell me the story of Jesus)
Write on my heart every word;
Tell me the story most precious
Sweetest that ever was heard.
Tell me the story
Love's sweetest story
Tell me the story again

Ooh, ooh, ooh

YOU ARE MY SONG

Chorus

You are my song
You are my melody
The theme of all my life
Forever to be
I'll sing from this moment on
Throughout endless ages long
You are my music
You are my song.

A song of joy came into my heart one morning
My world came alive when I heard the melody
The sun broke through and a brand new day
Came dawning in my heart
And I thank you Lord for what you mean to me

Repeat Chorus 2 times

You are the theme of all my music
You are, yes you are, my song
You are, yes you are, my song.

BETHESDA

Bethesda, healing water
Where the angel troubled the calm
With power and with mercy
Brought the gift of God's healing balm.

The lame man, the blind man,
The man who could neither hear or speak
Came watching and waiting
As all the while, they came to see
The troubling of the water
Which brought peace and joy to their soul
And always, one who enter
Was then made perfectly whole.

Near the steps of the pool called Bethesda
A lame man in misery lay
Though he cried, someone rushed in before him
And the touch of God's healing he felt

Then came Jesus,
Lord and Master
Who took all the man's sorrow away
And left him there rejoicing
As He healed him completely that day.
As He healed him completely that day.

WHAT A MORNING

CHORUS

Well what a morning, what a day
When He takes me home to stay
No more sorrow, free from hope
'Cause Jesus said that I would go
To my home beyond the starry sky

Well, on some happy morning,
When the dead in Christ shall rise
I'll meet my blessed Jesus
And with Him I'll take a ride
He'll take me home to glory
To a home not built by hand
And forever I'll be singing
With the happy angel band.

CHORUS

Everybody's going to be shoutin' in glory
Everybody's going to be singin' that story
Everybody's going to have a wonderful time up there
Well, brethren, there's a reckonin' comin' in the morning
Better get yourself a'ready, cause we've givin' you the warning
Everybody's going to have a wonderful time up there

Well, on some happy morning,
When the dead in Christ shall rise
I'll meet my blessed Jesus
And with Him I'll take a ride
He'll take me home to glory
To a home not built by hand
And forever, and forever, and ever I'll be singing
With the happy angel band.

CHORUS twice

Everybody's going to be shoutin' in glory
Everybody's going to be singin' that story
Everybody's going to have a wonderful time up there
Everybody's going to have a wonderful time up there.

HOME

Home is where the heart is
My heart's on home
Though I've never really had one
To call my own
But I've been given a key
By the carpenter of Galilee
With interest paid, the title's made to me.

CHORUS

Home
Where there is no night
Home
Where the sun is the light
The place I've been dreaming of so long.
Loved ones stand to welcome me
But His sweet face will be the first I'll see
When my journey's over
I am goin' home.

Everybody dreams
Of going home, it seems
Lately, I am no exception
To the rule
Oh, but home is so much more
Than windows, walls and doors
It's a warm embrace
Where the smiling face
Is waiting you.

CHORUS twice

When my journey's over I'll be goin' home.

WHO KNOWS TOMORROW

Everyday brings new light upon my pillow
What circumstance will I face along the way
Will I find the situation I have no control
Will I find the certain need to bow and pray

For I can't change the path of fate that life may throw my way
And I may not always seem to understand
But I hold to a promise from the One who can
And without doubt, I'll trust the One through each tomorrow.

CHORUS

Who knows tomorrow
What will it hold
Will I trod through a land I do not know
No need to worry (No need to worry)
For He's in control
And I'll lean on the One who knows tomorrow.

Do you find everyday you start to worry
When the storms of life seem to roll your way
Do you find the burdens of this life too heavy
And when they fall it seems no place to escape.

Oh, but I can introduce you to the One who really cares
It's okay. You can come just as you are
You can bring all your burdens, He alone will bear
And you can lean on the One who knows tomorrow.

CHORUS twice

No need to worry
For He's in control
And I'll lean on the One who knows tomorrow.
Yes, I'll lean on the One who knows tomorrow.

I'LL SEE YOU IN THE RAPTURE

If we never meet again
On this earth, my precious friend
And if the blood of Jesus Christ
Has redeemed us from our sin
Then for us there'll be a meetin'
What a hallelujah greeting
I'll see you in the rapture some sweet day.

CHORUS

I'll see you in the rapture
I'll see you in the rapture
I'll see you at that meeting in the air
There with our blessed Savior
We'll live and reign forever
I'll see you in the rapture some sweet day.

o my loved ones, let me say
That there'll surely come a day
That the Lord will come again
And He'll take His bride away
So get ready now to greet Him
With hallelujahs, greet Him
I'll see you in the rapture some sweet day.

CHORUS twice

I'll see you in the rapture some sweet day.

WHAT A FRIEND WE HAVE IN JESUS

What a friend we have in Jesus,
All our sins and griefs to bear!
What a privilege to carry
Everything to God in prayer!

Oh, what peace we often forfeit,
Oh, what needless pain we bear,
All because we do not carry
Everything to God in prayer!

Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge
Take it to the Lord in prayer.

Do thy friends despise, forsake thee?
Take it to the Lord in prayer;
In His arms he'll take and shield thee-
Thou wilt find a solace there.

In His arms, He'll take and shield thee-
Thou wilt find a solace there.
Take it to the Lord in prayer.

WITHOUT THE LORD

Without the Lord, there'd be no love.
There'd be no earth, or heaven above
No stars in the sky, no birds in the air
No one (no one, no one) to care (to care).
He made the sun to light the day.
Because of Him all life seems to say
Our praises should ring, while sweet hallelujahs we sing.

CHORUS

Each day, we see, these wondrous things
They plainly show (they plainly show the blessings He brings)
Can we deny His tender care
Nature around, should make us aware
How could there be a river flow
Without the Lord, not a flower would grow
Our praises should ring, while sweet hallelujahs we sing.

Repeat Chorus

Our praises should ring, while sweet hallelujahs we sing.

THE ONE THAT I LOVE

Ooh, Ooh, ooh, ooh,
The One that I love
Is leading the way
He's holding my hand
By night and by day
Until I reach o'r
There with Him to stay
I know that He'll keep me
So, I'll just kneel and pray.

The one that I love
Is loving me in return
And it starts a flame in my heart
That forever will burn
And until that great day
I'll see Him above
I'll keep on prayin', prayin', prayin'
And be lead by His amazing love.

CHORUS

He will not forsake me
When troubles overtake me
His loving hand is leading from above
I know that He will take me
Completely over make me
And place me in the way that leads above
While I'm crossing (while I'm crossing)
Dark, chilly Jordan (dark, chilly Jordan)
My soul will be happy
With the one that I love.

Repeat Chorus

The one that I love.

CRUCIFIED WITH CHRIST

When I look back at what I thought was livin'
I'm amazed at the price I chose to pay
And to think that I ignored what really mattered
'cause I thought the sacrifice would be too great
When I finally reached the point of giving in
I found the cross was calling even then
Even though it took dying to survive
I've never felt so much alive

CHORUS

For I am crucified with Christ and yet I live
Not I, but Christ that lives within me
His cross will never ask for more then I can give
For it's not my strength but His
There's no greater sacrifice,
For I am crucified with Christ and yet I live.

As I hear the Savior call for daily dying
I will bow beneath the weight of Calvary (Calvary)
Let my hands surrender to His piercing purpose
That holds me to the cross yet sets me free
I will glory in the power of the cross
The things I thought were gain, I count as loss
And with this suffering I identify
By His resurrection power, I am alive

CHORUS

I will offer all I have
So that His cross is not in vain
I found to live is Christ
And to die is truly gain

CHORUS

And yet I live (I live)

I live.

TRUST HIS HEART

All things work for our good
Though sometimes we don't see how they could
Struggles that break our hearts in two
Sometimes blind us to the truth
Our Father knows what's best for us
And His ways are not our own
So when your pathway grows dim
And you just don't see Him
Remember you're never alone.

CHORUS

God is too wise to be mistaken
And God is too good to be unkind
So when you don't understand (understand)
When you don't see His plan
When you can't trace His hand,
Trust His heart.

Ooh, He sees the master plan (the master plan)
And He holds our future in His hand
So don't live as those who have no hope
For all our hope is found in Him
For we see the present clearly

But he sees the first and the last (first and the last)
And like a tapestry, he's weaving you and me (you and me)
To someday be just like Him (ooh, like him)
Just like Him

CHORUS

For He alone is faithful and true
And He alone knows what is best for you

CHORUS
