## LOVE WAS IN THE ROOM:

It was early in the morning  
And a stillness filled the garden where He lay  
Then the ground shook with power  
As the angel came and rolled the stone away  
All the glory of the Living God  
Broke through to the darkness of the tomb  
And the love of the Father  
Came and filled every corner of the room

Love was in the room  
And new life was born where only death had been  
Love was in the room  
And death and hell would never reign again  
When the glory of the Living God  
Broke through to the darkness of the tomb  
The earth was filled with His beauty  
And love was in the room

I was trapped in sin and weakness  
Sinking ever deeper day by day  
Then the blessed Holy Spirit  
Came to touch my heart and roll the stone away  
All the glory of the Living God  
Broke through to the darkness of the tomb  
And the love of the Father  
Came and filled every corner of my room

Love was in the room  
And new life was born where only death had been  
Love was in the room  
And now death and hell would never reign again  
When the glory of the Living God  
Broke through to the darkness of the tomb  
The earth was filled with His beauty  
And love was in the room  
When the glory of the Living God  
Broke through to the darkness of the tomb  
The earth was filled with His beauty  
And love was in the room

Love was in the room  
Love was in the room  
Love was in the room

## SAIL ON:

Sail on when the water gets high  
Sail on when the wind starts to die  
Sail on it's just a matter of minutes  
Till His ship comes to gets us  
And we'll all get in it

When we're all born we set out to sea  
Looking for answers continuously  
Then when we find out to Him we belong  
We watch for the skies and keep sailing on

Sail on when the water gets high  
Sail on when the wind starts to die  
Sail on it's just a matter of minutes  
Till His ship comes to gets us  
And we'll all get in it

Cast up your sails and let the wind blow  
Jesus will never let your ship lose control  
Just keep your compass set on the Son  
And He'll guide us safely to His beautiful Home

We can't afford to throw our lives  
To the wind, to the wind  
We've got the Lord in control of our ship  
And He'll guide us safely in, He'll guide us in

Sail on when the water gets high  
Sail on when the wind starts to die  
Sail on it's just a matter of minutes  
Till His ship comes to gets us  
And we'll all get in it  
(repeat)

## HE CAME:

The gulf that separated me from Christ my Lord  
It was so vast, the crossing I could never ford  
From where I was to His demands it seemed so far  
I cried, "Dear Lord, I cannot come to where you are."

He came to me; He came to me  
When I could not come to where He was  
He came to me  
That's why He died on Calvary  
When I could not come to where He was  
He came to me

He came to me  
When I was bound in chains of my sin  
Oh He came to me when I possessed no hope within  
He picked me up and drew me gently to His side  
Where today in His sweet love I now abide

He came to me; Yes, He came to me  
When I could not come to where He was  
He came to me  
That's why He died on Calvary  
When I could not come to where He was  
He came to me  
Oh when I could not come to where He was  
He came to me

## O WHAT A HAPPY DAY:

O what a happy time that's sure to be  
When my Jesus is comin' after me  
I'll hear Him callin' me away  
From this old world to stay  
And when I take my Savior's hand  
In that blessed happy Promise Land  
I'll shout and sing through endless ages  
O what a happy day

What a happy day (what a happy day)  
That will be when we gather there  
What a happy day (what a happy day)  
When we climb those golden stairs  
We'll meet the ones who've come before  
James and John and a million more  
What a happy time that's sure to be  
What a happy day

And when I walk in to Heaven up there  
I'll see the blessed Lord Jesus there  
He'll place a crown upon my head  
Give me a robe of white to wear  
Gonna walk on streets of purest gold  
Gonna live forever more  
I'll shout and sing through endless ages  
What a happy day

O what a happy day (what a happy day)  
That will be when we gather there  
What a happy day (what a happy day)  
When we climb those golden stairs  
We'll meet the ones who've come before  
James and John and a million more  
What a happy time that's sure to be  
What a happy day

Repeat chorus

What a happy day (3 times)

## I'M THE LAMB:

So many times I strayed away from Jesus  
As a lamb that leaves the flock without a care  
And the time soon came when I'd gone too far and stumbled  
And the more I tried, the more I'd lose my way

I'm the lamb that the Shepherd left the flock for  
I was out in the cold all alone  
So in need when Jesus found me  
He put His arms around me  
And I'll never be alone anymore

Now I tried to climb the mountains of this life and failed  
I was thinking of myself and my own gain  
That's when the Shepherd came and He found me on the cliffs of sin  
From that moment life has never been the same

I'm the lamb that the Shepherd left the flock for  
I was out in the cold all alone  
So in need when Jesus found me  
He put His arms around me  
And I'll never be alone anymore

Now I'm back where I belong and I'm so happy  
I can hear my Shepherd's voice all the time  
I'm goin' follow in the path where He may lead me  
For this Shepherd, Jesus, is a friend of mine

I'm the lamb that the Shepherd left the flock for  
I was out in the cold all alone  
So in need when Jesus found me  
He put His arms around me  
And I'll never be alone anymore  
And I'll never be alone anymore

## I HAVE AN ANCHOR:

When this world all around me is in turmoil  
I have a shelter in which to hide  
In the middle of a raging storm  
I can rest in peace  
For the Lord is standing faithful by my side

I have an anchor that holds when the storms of life are raging  
I have an everlasting arm to lean upon  
I have a firm foundation that is strong and steady  
His name is Jesus, the Rock I'm standing on.

Oh a mighty fortress in the time of danger  
Safely in His refuge I'll abide  
When troubles come crashin' in like a rolling sea  
He's faithfully holding back the tide

I have an anchor that holds when the storms of life are raging  
I have an everlasting arm to lean upon  
Oh I have a firm foundation that is strong and steady  
His name is Jesus, the Rock I'm standing on  
(repeat)

His name is Jesus, the Rock I'm standing on  
Oh I'm standing on.

## UP THERE SOMEWHERE:

Beneath the clear evening sky  
Gazing toward the sweet by and by  
Away up there far beyond that distant star  
Is a land of endless glory  
Where the hosts of Heaven lie

Up there, somewhere  
Is a City pure and holy  
Where my loved ones are  
At Home with Jesus  
Far beyond earthly cares  
In that paradise called Heaven  
Up there, somewhere

Beside the grave of a loved one  
With pain my heart is overcome  
But the blessed hope  
Guarantees this is not the end  
There's a land beyond these shadows  
Where we shall meet again

Up there, somewhere  
Is a City pure and holy  
Where my loved ones are  
At Home with Jesus  
Far beyond earthly cares  
In that paradise called Heaven  
Up there, somewhere  
Ooooh

## TRADIN' THE OLD CROSS:

Oh I started out with a made-up mind  
To one day cross the finish line  
I'm pressin' toward the mark and for the prize  
At times I've had to stand my ground  
As Satan's tried to turn me around  
But I will not be hindered by his lies

I'm not gonna walk away  
I've got too much at stake  
I've come too far to turn back now  
Every battle that I have fought  
Will soon be forgot  
And I'm trading this old cross in for a crown

I can almost hear them cheer me on  
And see the ones who have reached Home  
Now they wait for us to win this race  
A banquet like we've never known  
Will be held at God's royal throne  
And there we'll be rewarded for our faith

I'm not gonna walk away  
I've got too much at stake  
I've come too far to turn back now  
Every battle that I have fought  
Will soon be forgot  
And I'm trading this old cross in for a crown  
(repeat)

I'm trading this old cross in for a crown

# THIS IS MY VALLEY

Sometimes it seems  
My heart's gonna break  
It seems like more  
Than my mind can take  
I still believe trials make me strong  
So tears and pain can't last too long

This is my valley  
I will not complain  
I know it's good for me  
To suffer tears and pain

This is my trial  
I will do my best  
To stand each trial and test  
This is my valley.

And every man has  
A valley to walk  
No one else  
Can carry his cross  
As soon as I pass  
This veil of tears  
I'll lay down my load  
On Zion's hill.

This is my valley  
I will not complain  
I know it's good for me  
To suffer tears and pain

This is my trial  
I will do my best  
To stand each trial and test  
This is my valley.  
Oooooo

## I'M FEELING FINE:

I woke up this morning feelin' fine.  
I woke up with heaven on my mind.  
I woke up with joy in my soul,  
'Cause I knew my Lord had control.

Well, I knew I was walking in the light,  
'Cause I'd been on my knees in the night;  
And I'd prayed 'til the Lord gave a sign,  
And now I'm feeling mighty fine.

Well, I'm feelin' mighty fine;  
I've got heaven on my mind.  
Don't you know, I want to go  
Where the milk and honey flow.  
There's a light, a light that always shines  
Way down inside this heart of mine  
I've got heaven on my mind;  
And now I'm feelin' mighty fine.

I've been walking with Jesus all the time;  
We're walking and talking as we climb.  
We're trav'ling a road to the sky,  
Where I know I'll live when I die.  
He's been telling me all about that land,  
And He tells me that everything is grand;  
And He says that a home will be mine;  
And now I'm feelin' mighty fine.

Well, I'm feelin' mighty fine;  
I've got heaven on my mind.  
Don't you know, I want to go  
Where the milk and honey flow.  
There's a light, a light that always shines  
Way down inside this heart of mine  
I've got heaven on my mind;  
And now I'm feeling mighty fine.

I've got heaven on my mind  
And now I'm feeling fine.
